Registration No:

\$296,370.61

Note:

- receipts throughout all sections of the associated entity must be included in the total;
- no category of receipt is to be excluded;
- all figures must be gross;
- receipts of less than \$500 must also be included in this total; and
- it includes monetary receipts and gifts-in-kind (as defined in the Handbook)

In the table below list the name, address and the total amount received for those persons and organisations from whom \$1,500 or more was received. In determining whether the \$1,500 threshold has been reached it is only necessary to aggregate individual receipts of \$500 or more.

[illegible]

Where any payment during the financial year was made to or for the benefit of a registered political party out of funds generated from capital deposits held, list in the table below the name, address and the total of capital deposits for all persons who contributed to the capital of the associated entity since 16 June 1995 or the last disclosure of capital deposits, whichever is the later.

- unlike other sections of this return there is no minimum disclosure threshold applicable;
- all capital deposits must be included whether or not those deposits directly generated the funds used to make a payment to or for the benefit of a political party;
- include all deposits received, not a total of deposits net of withdrawals/repayments or a balance as at 30 June;
- do not include capital deposits which have been disclosed on a previous return; and
- there is no requirement to declare capital deposited prior to 16 June 1995 in these figures.
