Dear Sir

Re: Amendment to Disclosure Return 1999 – 2000

I am writing to request an amendment to our disclosure return for the year 1999 – 2000.

Mr Alan Green and Mr Monash Sahadeo from THE Australian Electoral Commission's Funding and Disclosure section have just completed a routine compliance audit of this return. They have drawn my attention to an error in the return.

In preparing the return, I neglected to declare one donation. This was for \$5,000.00 from Challenge Bank, a Division of Westpac Banking Corporation, of 109 St Georges Tce, Perth.

I would appreciate if you could note this amendment.

Yours sincerely
